

Amberwood HOA

Apr 2010

Next Board Meeting:

- April 21st at 7:00 p.m. at Gander Mountain. All residents are welcome to attend.

Thank you to all the neighbors who have been sprucing up their yards for Spring. They look great!

Easter Egg Hunt Saturday, April 3rd 10 – 11 am

Join us at the swimming pool parking lot at 10:00 a.m. sharp for the start of the annual Easter Egg Hunt. Keep an eye out for the arrival of the Easter Bunny. Will he arrive on 2 wheels again?

Parking on the Street

Please try to park all vehicles in your driveway. When it is necessary to park vehicles on the street, consider the following:

- Do not park directly across from a neighbor's driveway making it difficult for them to maneuver.
- Try to park away from the curves in the road.
- Consider other parked vehicles and give plenty of space between cars.

We want to keep our playing children and drivers safe.

Vehicles repeatedly parked on the street can be considered a nuisance.

Red Flag Alert System

Amberwood has adopted a new Red Flag Alert System. If you see a red flag at either neighborhood entrance, please go the Website for important information from the Neighborhood Watch Program.
